Subject: Reflective Insulation

Dear Mr. Snowder,

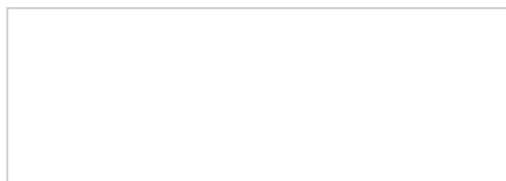

This is to confirm that even if the GAF branded shingles were installed over the LOW-E reflective insulation therma sheet, the GAF Smart Choice shingle limited warranty will remain in effect per its terms and conditions.

Please note that the GAF Limited warranty covers manufacturing defects of the shingle and does not cover the workmanship for the installation or repairs.

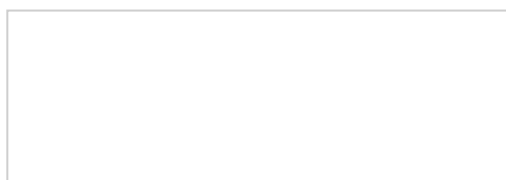

If you have any further questions, please call 1-800-ROOF-411, option 1. Thank you for choosing a GAF roofing system.

Sincerely,

Joe Smith
